Register Today!

Children who turn 5 years old by September 1 are eligible to enroll in Kindergarten. It's a full-day program (8:30 a.m.-3:30 p.m.), and is available at all of our elementary schools.

Children who will turn 5 years old between September 2 and December 1 are eligible for Young 5s. This is also a full-day program, but it is considered a District program, and is housed at Green Meadow Elementary. Young 5s students will be placed on a first come first serve basis.

If parents have questions or concerns regarding their student's developmental needs or placement within these guidelines, they should contact their school's principal.
