Area of Development/Learning:

- Social/Emotional Physical/Health Cognitive Language, Literacy, & Communication
 Science and Technology Creative Arts Social Studies Literacy Math

Materials for Child and/or Teacher:

Blank copy of attached book " _____'s Family"

Explanation of the Activity (Beginning, Middle, End)

- Talk about blank book with children (small group?)
- Send blank books home with children (or *ideally* with parents at conference time)
- Invite a family member to return the completed book (that the child has helped to complete) and to join in sharing the completed project with the class
- All finished books are placed in the classroom library!

Ideas to Extend the Activity

- Use books to make "Books on Tape" about our families for Listening Area in the classroom
- Books could be "checked out" of classroom library so that families can learn about each other
