

Kalamazoo County Ready 4s Speech Language and Hearing Resources for Referral

PrePrimary Evaluation Team (PET)

The PET program provides developmental assessment and planning for children ages birth through 6-years-old who reside within Kalamazoo County school districts. A team of professionals will assist the parent or guardian in investigating all appropriate programs available for their child including special education. These programs may be offered by the family's local school district, through Kalamazoo RESA or other community agencies.

Contact: Felicia Burnette - fburnette@kresa.org or 269-250-9670
Kalamazoo Regional Educational Service Agency
4606 Croyden Avenue Kalamazoo, MI 49006
