Home of the Panthers

February 19, 2019

Hello Families,

Kindergarten Round-Up Information :

Do you know any Kindergartners who will be 5 years old on or before October 1st, 2019?

Climax-Scotts Elementary School's Kindergarten Round-Up informational evening is scheduled for:

Thursday, April 25th from 5:30 – 6:30 in the gym.

Please pass along this information to anyone in the community you know who may have a Kindergartner! We will discuss the Kindergarten curriculum, you will meet the Kindergarten teachers, and you will be given the registration packet that is needed to begin Kindergarten. You may choose to complete the packet at registration night or take it home and return it later.

To register your child for Kindergarten, you will need the child's:

- Birth Certificate
- Immunization Record
- Your Proof of Residency (such as a utility bill)
- Child's Vision/Hearing Screening Results

We Hope to See You on This Very Important, Informative, Kindergarten Registration Evening!

In partnership with you,

Teri Peters

Principal; Climax-Scotts Elementary School
